

SPAY HAMPTON ROADS - The Norfolk Pet Project

Please complete each field below. When you submit, your information will be e-mailed to us, and we will follow-up by phone and/or e-mail to confirm your appointment. Please note that proof of residency will be requested when dropping off your animals. Thank you for your interest in this program and helping reduce the number of homeless animals in Hampton Roads!

Pet 1 Age (Months)

Weight if Dog (lbs)

PET 2 NAME

Pet 2 Species

Pet 2 Sex

Pet 2 Age (Years)

Pet 2 Age (Months)

Weight if Dog (lbs)

Additional
Information
You'd Like Us to
Know:

I would like information on other veterinary services available at this time. [Fees for any services aside from the spay/neuter surgery are your responsibility.]

If you do not receive a phone call or e-mail response within 48 hours, please call 757-456-1215 and indicate you are awaiting confirmation. Once your appointment/s are confirmed, you can download PETA's spay/neuter application online at www.spayhr.org. Completing it prior to your surgery date will save you time at check-in.

If you use an email program like Outlook, hitting submit will create an e-mail that you will then need to send for your information to be transmitted. If you use an online program, please save the results and send an e-mail to norfolkpetproject@gmail.com, making sure to attach the file you saved. Thank you!
